## Council of Young Friends

Our Lady's Inn has provided shelter and support to more than 6,500 women and their families over the last 35 years. However, the need that exists today is greater than ever before. In response to this ongoing need, a group of young individuals have committed to lead the next generation of volunteers and supporters at Our Lady's Inn.

The mission of our Council of Young Friends is to spread awareness and cultivate the support of the next generation of the Our Lady's Inn family, ensuring the legacy that has been built over the past 35 years.

"The number of lives that have been changed through the mission of Our Lady's Inn over the past 35 years is incredible. I am proud to be a member of the Council and am excited to lead the next generation in growing the strength and awareness of our mission," says Christine Beck, Council of Young Friends member. "Together we will continue to change the lives of these women, helping them to build the foundation to provide a loving home and supportive family for their children."

## FROM THE EXECUTIVE DIRECTOR

We've closed the door on our 35th anniversary year! 2017 was a year of reflection – a time to look back and understand our beginnings, and a time to honor the legacy of our Founders and celebrate the thousands who participated in this mission of love. It was a time to be filled with gratitude for the women and children whose lives were changed because of the work of Our Lady's Inn; more than six thousand women have chosen to give life to their unborn children because of the services we offered them. And most importantly, in 2017 we served 136 pregnant women and welcomed their babies into this world!

As we head into 2018, we look to the future. There is much work ahead to ensure that all those who will arrive at our door needing shelter and hope for their unborn child will find what they seek. The Board is engaged in strategic planning focused on programming, financial security and succession planning. The ever-changing needs of our pregnant moms require us to continually evaluate programs and service delivery methods. Engaging the next generation of charitable donors is key to providing for homeless women and children in the future. Through succession planning, we will ensure that in the coming decade the mantle of leadership will pass smoothly to those next in line.

Many donors are looking to our future as well, including OLI in their estate planning. Please consider a legacy gift to help us ensure a future of support for pregnant women choosing life.

## *Thank You to all of our Christmas Angels*

We recently celebrated another Christmas at Our Lady's Inn. Generous friends in the community wanting to make Christmas merry and bright for the moms, babies, and kids of OLI have blessed us for many years. This note, enclosed with a donated gift, may best capture the spirit of compassion and care shown by our donors:

"Dear Mama to Be, I'm sorry you are in a difficult spot during such an amazing time in your life. There are many things I wish I could give you, but you will find the greatest things within yourself. I hope this pillow brings you some much-deserved comfort. Stay strong. God bless you and your precious child."

For the past three years, we have held Christmas "stores," where our moms select and wrap presents for their children. Santa's helpers delivered many gifts from his bag for our children on Christmas Eve. Individuals, families, groups, and church Giving Trees

provided all these gifts. This year, 46 families in St. Louis and 23 families in St. Charles were able to "shop," wrap, and receive gifts thanks to dozens of Christmas angels. Some were first-time givers, while others have given year after year. We are so grateful to ALL for making Christmas special for 227 precious moms, kids, and babies.

## *Holy Infant Goes All In*

Our Lady's Inn is blessed by the generosity of many parishes, schools and organizations giving of their time, talent, and treasure in support of our mission. Holy Infant in Ballwin is one such parish, and they have gone all in to support the moms and children at the Inn! Several members of the parish serve on our Board of Directors and the St. Louis House Advisory Board, providing valuable direction and leadership. We receive support for our Nights of Shelter Program from the parish through their Tithing Program, providing many nights of shelter and days of care for our families. Annually, a band of Holy Infant Seniors spends hours working on projects at the Inn on Serve St. Louis Day. There are also Holy Infant Confirmation classes and Girl & Boy Scout Troops who perform service work. Many classes from Holy Infant School participate in our annual Christmas Adopt-a-Family Program. This year, first graders donated wrapping paper, bows, and scotch tape for our moms to use in wrapping gifts for their children. Third graders donated new socks and undergarments for each child at the Inn. Eighth grade students donated gift cards for each family, and the sixth graders helped with coordination and transport of all the items along with their own donations of wrapping supplies, socks, underwear, and gift cards. From the parish and its many organizations to the school and its wonderful teachers, parents, and students, we are very thankful for all the support from the vibrant and loving community of Holy Infant.

# 2017 Angel Gala

Our Lady's Inn honored the Most Reverend Robert J. Carlson, Archbishop of St. Louis at our annual Angel Gala, presenting him with the 2017 Guardian Angel Award on Sunday, May 21 at Old Warson Country Club. With his leadership, commitment to serving the poor and disenfranchised in our St. Louis community, and steadfast dedication in furthering the cause of life, Archbishop Carlson joined a distinguished list of Angel Gala honorees.

The Angel Gala was hosted by Darryl and Ellen Ross and opened with a cocktail reception and live music provided by the Bob Kuban Band. A wonderful dinner followed by more music from the band.

# Thank You

Many thanks to our generous sponsors for making the Angel Gala such a success!

## Our Lady's Inn Receives "Sharing Success" Grant

Cuivre River Electric Cooperative awarded Our Lady's Inn St. Charles County shelter with a \$5,000 "Sharing Success" grant to continue providing housing for pregnant, homeless mothers and their children. OLI's Defiance, MO shelter houses approximately 50 women and 75 children each year. Since 1982, OLI has helped more than 6,500 mothers. This grant enhances the impact that OLI is able to have on families in crisis.

"It is with great joy that we are able to contribute to the mission of Our Lady's Inn. They not only change lives, they save lives," says Ted House, Cuivre River Electric Board Member.
