Board Member Spotlight:

TONY TRUPIANO

Tony Trupiano, having over 37 years of experience as an executive leader in the healthcare industry, is Our Lady's Inn newest member of the Board of Directors. He is passionate about the opportunity to support a life-affirming organization like OLI and giving back to his community. Tony's dedication to the pro-life mission and extensive executive leadership background in healthcare will greatly benefit Our Lady's Inn.

How were you introduced to Our Lady's Inn?

I am a St. Louis native and took a job in the Atlanta area back in 2009. I have always been passionately pro-life, and realize that many women need assistance to be able to deliver and support a child. I spoke to my pastor and some others in Georgia. They were not aware of any shelters in the area, so I did an internet search back in St. Louis and thought that Our Lady's Inn would be a perfect opportunity to support life-affirming women who needed temporary help. My wife Gayle and I decided on a monthly donation in honor of my mother.

We had the opportunity to tour the facility in Defiance just before the pandemic, and the facility was impressive in terms of cleanliness, the private rooms provided to the residents and the professional staff. But most of all I was impressed with the variety of services provided; transportation to medical appointments and work if needed, assurance of good pre-natal care that provides the best chance for delivering a healthy baby, post-delivery care, life skills training, but most of all the continuance of support well beyond the birth of the child.

I was particularly impressed with OLI's holistic approach in assuring both the short-term and long-term success for the mother and child. The approach is tailored to each individual's needs. Some of these women have jobs, but were abandoned by family or a loved one, and simply need temporary housing during the pregnancy. Our Lady's Inn provides support, resources, and training both before and after the baby's birth. I was pleased to learn that OLI provides housing and support to the young children of expectant mothers.

What do you find most challenging?

Obviously the COVID virus has provided some unique challenges for the entire OLI organization. I worked in health care for 37 years, and was always inspired by the way caregivers respond in time of crisis, whether it be a snow storm, H1N1, or Ebola, caregivers always rise to the occasion. The entire leadership team and staff of Our Lady's Inn are no different, they have all done a remarkable job during the past year in surpassing expectations in the care they provide for the residents and their families. I know the entire Board is thankful and inspired by the efforts of the team.

What would you tell someone who is thinking about donating/ volunteering?

There are over 7,000 reasons to become involved with Our Lady's Inn. That is the number of children born because OLI provided an alternative to abortion and did so in a way that is loving and sustainable. Having thoroughly reviewed the financial reports of OLI, any donor can be confident that their donation will go directly to the mission of providing a safe and caring environment for life affirming mothers to deliver a healthy child.

The organization is in sound financial position, and full-time staff are supplemented with a strong group of volunteers that support the operations of OLI, with over 12,000 hours in 2019. Donors and volunteers can be confident that every dollar or hour they donate goes directly to fulfilling OLI's mission. Most rewarding is that although information about the residents is strictly confidential, you receive the best possible return on investment when you hear the first names of the babies born who may not be here if not for Our Lady's Inn.

These precious babies were born at Our Lady's Inn July - December 2020

Abby	Eric
Ariyon	Kyree

from the
Chief Executive Officer

Tonight, a mother will settle her sleepy baby in his crib with a good night kiss and a prayer of thanksgiving for the precious gift God has given her. She wonders how she ever could have considered terminating the life of her child and recalls the pressure she faced to do just that.

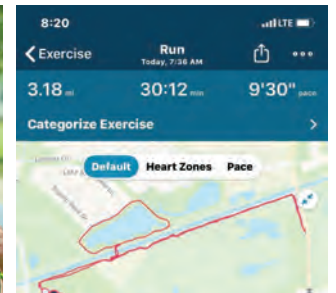

Pressure from family threatening abandonment, pressure from friends repeating the lies of the abortion industry's PR teams that her baby was not a baby at all, not really a human being and not deserving of life. She was told she had a "choice", but no one seemed to be offering choices. It became clear to her that "choice" was a euphemism for abortion.

Then she found Our Lady's Inn and discovered an alternative to abortion. Now she truly had a choice; a choice to be supported in nurturing the life of her unborn child. A choice to be supported throughout her pregnancy and the initial years of her child's life. "Thank you, God", she whispered, "thank you for leading me to Our Lady's Inn."

Thank you, dear supporters, for offering so many women an opportunity to choose life. You have offered hope to thousands of women throughout the history of Our Lady's Inn and saved the lives of their children. Together we continue to walk with mothers in need so they too may experience the joy of tucking their precious ones in at night.

It's Be

Our Lady's Inn First Annual 5K!

In a virtual year, Our Lady's Inn adjusted fundraising efforts accordingly by holding our **Miles for Moms in Need 1st Annual Virtual 5k Run**. A big thank you and congratulations to all sponsors and 150 participants from all over the country who signed up to make a difference in the lives of OLI moms and babies!

Virtual Trivia Night

On Saturday January 23rd, 220 friends joined OLI on Zoom for the **"I'll Be There for You" Virtual Trivia Night**. Players enjoyed five rounds of trivia hosted by TriviaHub. Congratulations to the first and second place teams, Newmanites United and A Flu Too Many, as well as best team name winner Occupation? Dinosaurs.

Caring Kids

A special thank you to the Mead, Salmo, & Kummer families for organizing this thoughtful and generous service project! Their children collected much-needed cleaning products for our Aftercare families. As you can see, they went above and beyond!

OLI had a wonderful visit from the **Galik family of O'Fallon Lights** in January! They chose OLI to benefit from their Christmas light display again this holiday season, and their visitors were incredibly generous, donating over \$4,600 in support of our moms and babies. Thank you so very much.

KMOV

Our Lady's Inn was fortunate to be the featured charity for the 4 Degree Guarantee on KMOV for the month of December. For each day the forecast was within 4 degrees of the actual high, KMOV donated \$50 to OLI, matched by Cardinals Care.
